DISCLAIMER:

This Webinar is organized for facilitation knowledge sharing within the medical fraternity. This Webinar content is shared for information purposes only and reflects the views of the speaker and/or scientific references as cited. It is not intended to represent Abbott's viewpoint on the matter or to promote Abbott's products. This product is fundamentally focused on education, scientific exchange and sharing of speaker's own experiences and practices for academic discussion purposes only. Nothing in this Webinar should be constructed as Abbott giving medical advice or making a recommendation, endorsement or sponsorship of any kind. Nor does it seek to replace medical opinion or independent professional judgement to be exercised by participants in their clinical practice. While every effort is made to ensure the accuracy of the Webinar information, Abbott is not responsible for any error, omission or consequence arising from the use of this information. If there is a reference to any products in the Webinar, please refer to full prescribing information for complete details of such products

This e-communication is being sent in view of COVID-19 exigency and the need for social distancing, and is intended for RMPs only. Please do not forward.
